FINAL NEWSLETTER

JUNE 16, 2017

## KINDERGARTEN REGISTRATION

**It's time to start our countdown to kindergarten!** Any child who will be 5-years-old on or before August 31st can register NOW for the 2017-2018 school year.

**What to bring when you register:** A birth certificate, immunization records, and proof of address (driver's license or mail with name and address).

## KINDERGARTEN JUMP START SUMMER CAMP

**JULY 31 - AUGUST 18**

**Monday - Friday, 9:00 - 11:30 am**

Please join us for a free, 15-day summer session for incoming kindergarteners at Sacajawea Elementary School. Jump Start will help your child have a successful start to the school year by introducing developmental activities to support their transition. Jump Start provides a nutritious snack daily, a variety of math and literacy-based activities, hands on learning experiences, opportunities to learn school routines and become familiar with our building.

Even if your child has attended a preschool program, this will be a great introduction to kindergarten at Sacajawea. If your child is unable to join us for the entire program, we welcome him/her to register and attend a portion of Jump Start.

**Register by June 23rd, or on the first day of Jump Start!**

## FROM THE SCHOOL NURSE

Parents please note the following items: If your student has medication at school, make plans to retrieve it on the last day of school – June 21, 2017.

**Medication that is not picked up will be discarded at 9:00 AM on Thursday, June 22rd,** unless prior arrangements are made with the office.

All medication authorization forms (for any and all medications) must be updated each school year – there are no exceptions. This applies even if your student had a new authorization the last few months of school. Medication forms for next year are available on the district website, or in the school office.

For students with certain health conditions, look for the updated individualized health plans (IHPs) in the mail. These IHPs - plus medication forms and medication, if necessary, need to be submitted to the school office prior to the first day of school, but **preferably by August 24th, to allow adequate time for processing the forms and teacher training/notification.**
